DRESS CODE *2016-2017*

As part of its mission to empower students as citizens and scholars, Unity's high school will not require students to wear a uniform. As future college students and professionals, understanding how to dress appropriately in different circumstances is a critical skill. Below are the guidelines for how your student should dress at Unity High School.

Shirts *— Students must wear solid colored shirts (such as Oxford shirts, Polo Shirts, or blouses) with a collar or turtleneck. Shirts must have sleeves and be tucked in. Shirts must be buttoned up. Shirts must fall well below the waistline and midriffs may not be exposed. No see-through garments are allowed*

Skirts/Dresses/Pants *—Skirts and dresses must be knee length. All garments must fit properly without being tight. Students may wear full-length or calf-length pants (not denim, cargo pants, sweatpants, or athletic gear). Pants must be worn at the waist with a solid colored belt and may not "sag." Leggings may only be worn under a skirt, dress, or pants that comply with Unity's dress code; leggings may not be worn on their own.*

Shoes *— must have backs, closed toes, low heels, low soles, and be in good condition. While dress shoes are encouraged, students may wear sneakers as long as they are primarily solid in color.*

Sweaters/Sweatshirts *- Students may wear solid sweaters or sweatshirts with no writing on them. Students may not wear hooded sweatshirts.*

Hats *— Students may not wear hats, scarves, or any other head covering except for religious purposes. Accessories—Students may not carry or wear flags or bandanas. Any jewelry must be modest and not over-sized.*
